

St Augustine's Academy Newsletter

29th April 2022

Headteacher's Message

Dear Parents, Carers and Children,

This week we have another addition to our Forest school. 3 signs have been created, by Mr. Smart, which help the children to identify the trees and birds that can be spotted there, and remember the Forest School rules. As a school, we are also taking part in The Queen's Green Canopy Junior Forester Award and we are excited to hopefully become Junior Foresters.

Also this week, Year 4 began a project with the town council called 'Good, Bad and Ugly'. They are presenting their thoughts about what is 'Good, Bad and Ugly' about Dunstable and their thoughts about how the area can be improved. We look forward to their presentations in a few weeks' time.

We wish you all an enjoyable bank holiday weekend.

Best wishes, Amanda Howes - Headteacher

If you would like to help
organise fund raising events
for the school or willing to
share your ideas please join
us in the hall on Wednesday 4th May at 3:30.

Vocabulary Velociraptors

'S' has been the focus letter for the week. The children have learnt the names of different types of shop and have started to design a product that they will make as a class and sell to the rest of the school later in the year from their own shop.

The specific shops that the children learnt this week were: newsagents, supermarket, bakery, fishmongers, florist, butchers, haberdashery, hardware, greengrocer, chemist, delicatessen and antique shop.

The children also looked for words beginning with 's' in 'The Ultimate Alphabet' by Mike Wilks and found words such as: stethoscope, sculpture, shovel and spine.

School Dinners

Just a reminder that, from the start of this term, school dinners raised to £2.30. This is to cover rising food costs. Many thanks.

'Let your light shine before others that they may see your good deeds and glorify your Father in heaven.' Matthew 5:16

Our Attendance Bear winner this week is...

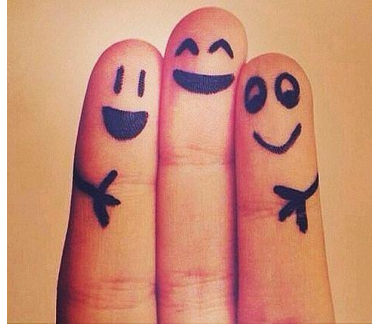

The House Point totals for this week are...

Value of the Half Term

Life is better
with friends :)

FRIENDSHIP

'Encourage one
another and build
each other up.'

1 Thessalonians 5:11

Year 4 Geography

Year 4 have been learning about 'Rivers' in Geography. They have learnt about how rivers erode, deposit and transport materials and used our forest school area to create their own river,

They are also learning about the causes of river pollution and the effects it has on the environment, and are learning about rivers in different countries around the world.
