Deputy Headteacher's Message

Dear Parents, Carers and Children,
What a wonderful week we have had being outside in the warm weather and sunshine. It has been great to see a variety of outdoor equipment being used, and enjoyed, during break and lunchtimes and in Outdoor Learning sessions.

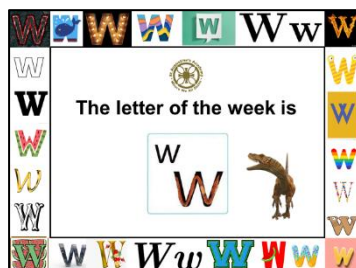

Our Early Years children had the most fantastic time, learning circus skills, on Wednesday. They learned how to juggle with scarves, balance beanbags, spin plates and twirl ribbons.

We hope that you all have a fantastic weekend.
Best wishes,
Justine Fourmy – Deputy Headteacher

Vocabulary Velociraptors

'W' has been the focus letter for the week. The children have learnt the names of different weather types, have learnt to use a weather station and have made a bottle tornado.

The specific occupations that the children learnt this week were: sunny, cloudy, overcast, drizzle, rain, hail, frost, snow, fog, thunderstorm, hurricane and tornado.

The children also looked for words beginning with 'w' in 'The Ultimate Alphabet' by Mike Wilks and found words such as: windmill, werewolf, whirlpool and wigwam.

Vocabulary Tip of the Week

Create a 'wordarium'.

Jot down any new words that you come across in your reading. Talk to a grown-up about what the word means and write this down next to the word. Keep this list and use the words in your writing.

'Let your light shine before others that they may see your good deeds and glorify your Father in heaven.' Matthew 5:16

Value of the Half Term

This week we have been thinking about the people, in our lives that we respect. They may be different to us, they may be a different age, they may live in a different place, they may have different ideas or customs or beliefs. How can you show respect to them? Do you listen to their ideas?

"Undercover student" rewards

As you know, we celebrate the achievements of our 'undercover students' and a pebble is earned if that person manages to follow the St Augustine's Way. Once a class is awarded 30 pebbles, they choose a reward treat. Look how Years 1, 2, 4 and 5 have enjoyed celebrating in the sunshine!
